Join the Florida Cancer Specialists CPAN Chapter for our next advocacy educational event on Wednesday, February 12, 2020 - 5:30-6:30pm

During this event you will:

- Learn about the CPAN Florida Cancer Specialists chapter of the national organization, the Community Oncology Alliance, a Washington, DC based organization that advocates to preserve community oncology practices and the patients we serve.

- Gain information about the positive impact community oncology plays in ensuring that patients always get the right individual cancer treatment, and understand why high-quality, community oncology settings cost less than other sites of patient care.

- Hear highlights of community oncology’s role ensuring that a patient’s medical needs are the first and only requirement for cancer care.

- Learn about opportunities for you to use YOUR VOICE as a CPAN Florida Cancer Specialists advocate to preserve community oncology care

Event to be held at a location near you!
